To Whom It May Concern:

It is my pleasure to write a letter on behalf of Reuven Zusman. I have known Reuven for over 13 years and can attest that he is a person of character and integrity. Jubilee Fellowship Church has had the pleasure to experience the excellent tour guide services that he offers on twelve trips to Israel. Just recently, he has organized all of our land arrangements at the same level of expertise.

We are continually impressed by the outstanding service he offers and the comprehensive knowledge about the destinations we visit.

He is always ready to serve the needs and extra wishes of the travellers as well as providing valuable insight information.

Through his friendly and service orientated manner, Reuven goes above and beyond to make sure everyone leaves with long lasting and very positive memories of Israel.

Sincerely,

A handwritten signature in black ink that reads "John V. Leach".
