

Reuven Zusman and I have been working together on Christian pilgrimages in Israeli for over twenty years. In the process, he and Galit have become dear friends. Reuven and Galit (RG) manage all of our arrangements, guide our groups and create fond memories for all.

Professionalism, hospitality, and integrity are characteristics of Reuven's and Galit's work. RG makes it easy to customize a pilgrimage, so it fits your group's purposes. Communication with RG is excellent, and their expertise in Israeli tour services is superb.

As a very experienced tour host, I would not consider bringing a group to Israel without their help! You will love working with such an outstanding Israeli couple as you experience the Land of the Bible!
